

How-To Camper Registration

for those that have not previously created a registration account

Go to sdcmbyouth.org follow the REGISTER NOW tab

Please note: Campers need to be present during registration process to agree to a 'code of conduct'. All campers are considered minors, even those age 18 or older & require parental consent.

1. Choose the Camper Registration link
2. Create a new user-name & password
3. Click "Manage people and household information".
4. Click "Add a child living in this household" and enter the names of all your children who will be attending any camp. This info will be saved in your account & will not need re-entered every year.
5. Click "Back to Home", "Start Application" and "Continue".
6. Select each child's name that you wish to register for camp & complete the information.
7. *For families with more than one camper, the discount code is Multi2017. Enter this for each camper.*
8. Click the camp title for each child & click "Add to List".
Kids Camp registrants must select their activities during online registration. This is first-come first-serve, so don't wait to register.
9. Click Continue, then click the title of each form that needs to be completed. Read thoroughly and Follow the online prompts.
10. When all forms are completed, click 'Continue' to complete registration.
11. Upon completion, Senior High Campers need to scan and upload a scan of their physical. *If unable, turn in a copy to your church.*
12. Submit payment to your church. Amount may differ from what you see on-line so check with your church before submitting.

How-To Camper Registration

for those that have already created a registration account

Go to sdcmbyouth.org follow the REGISTER NOW tab

Please note: Campers need to be present during registration process to agree to a 'code of conduct'. All campers are considered minors, even those age 18 or older & require parental consent.

1. Choose the Camper Registration link
2. Enter your previously established user-name & password
3. If you have a child to add to your family that you have not previously included, click "Manage people and household information". If all children are already entered, go to step 5.
4. Click "Add a child living in this household" and enter the names of all your children who will be attending any camp. This info will be saved in your account & will not need re-entered every year.
5. Click "Back to Home", "Start Application" and "Continue".
6. Select each child's name that you wish to register for camp & complete the information.
